LED WATERFALLS

Looks Amazing Day and Night
Bright LED Lights and Colors
Sync up to 20ft of Waterfalls

A Brilliant Wonders LED Waterfall from CMP creates an atmosphere of beauty, excitement, and personality in your backyard pool. The exclusive patent pending design creates the best possible LED waterfall design.

The unique "sawtooth" design churns the water like river rapids, making the the LED colors appear stronger and brighter.* The signature design places the LED strip closer to the water. And unlike most pool lighting features, it is easy to service.

Brilliant Wonders LED Waterfalls are a beautiful backyard addition available exclusively from CMP.

*Lighting water is extremely difficult. CMP has many examples of how our LED waterfalls look at night. However, each pool setting is very different. CMP offers accent lighting for backyard ambience and can make no guarantee as to how bright the water will appear in each individual pool.
